Australia

Race Director's Message

BY GROW GREENBUSHES

Get out into the great outdoors and enjoy a run, walk or mountain bike ride through the jarrah forest surrounding the historic town of Greenbushes Western Australia by participating in the Greenbushes Fun Run and MTB event on Sunday 15 May 2022.

The event will raise funds for the Breast Cancer Network of Australia (BCNA) which provides much-needed support for sufferers of breast cancer and their families throughout Australia. There will be a Mini Field of Women to highlight the impact breast cancer has on communities.

Enjoy a 10km run (approximate), a 5km run/walk (approximate) and also a 5km and 15km MTB event. Prizes for adults, veterans, youth and children's categories for males and females.

The track traverses jarrah forest on mainly gravel tracks and is accessible for wheelchairs and prams.

Event Details

EVENT LOCATION

The event begins and ends at the Greenbushes Sports Complex Located just off the South Western Highway at the northern entrance to town (Blackwood Road).

Registrations

ONLINE REGISTRATIONS

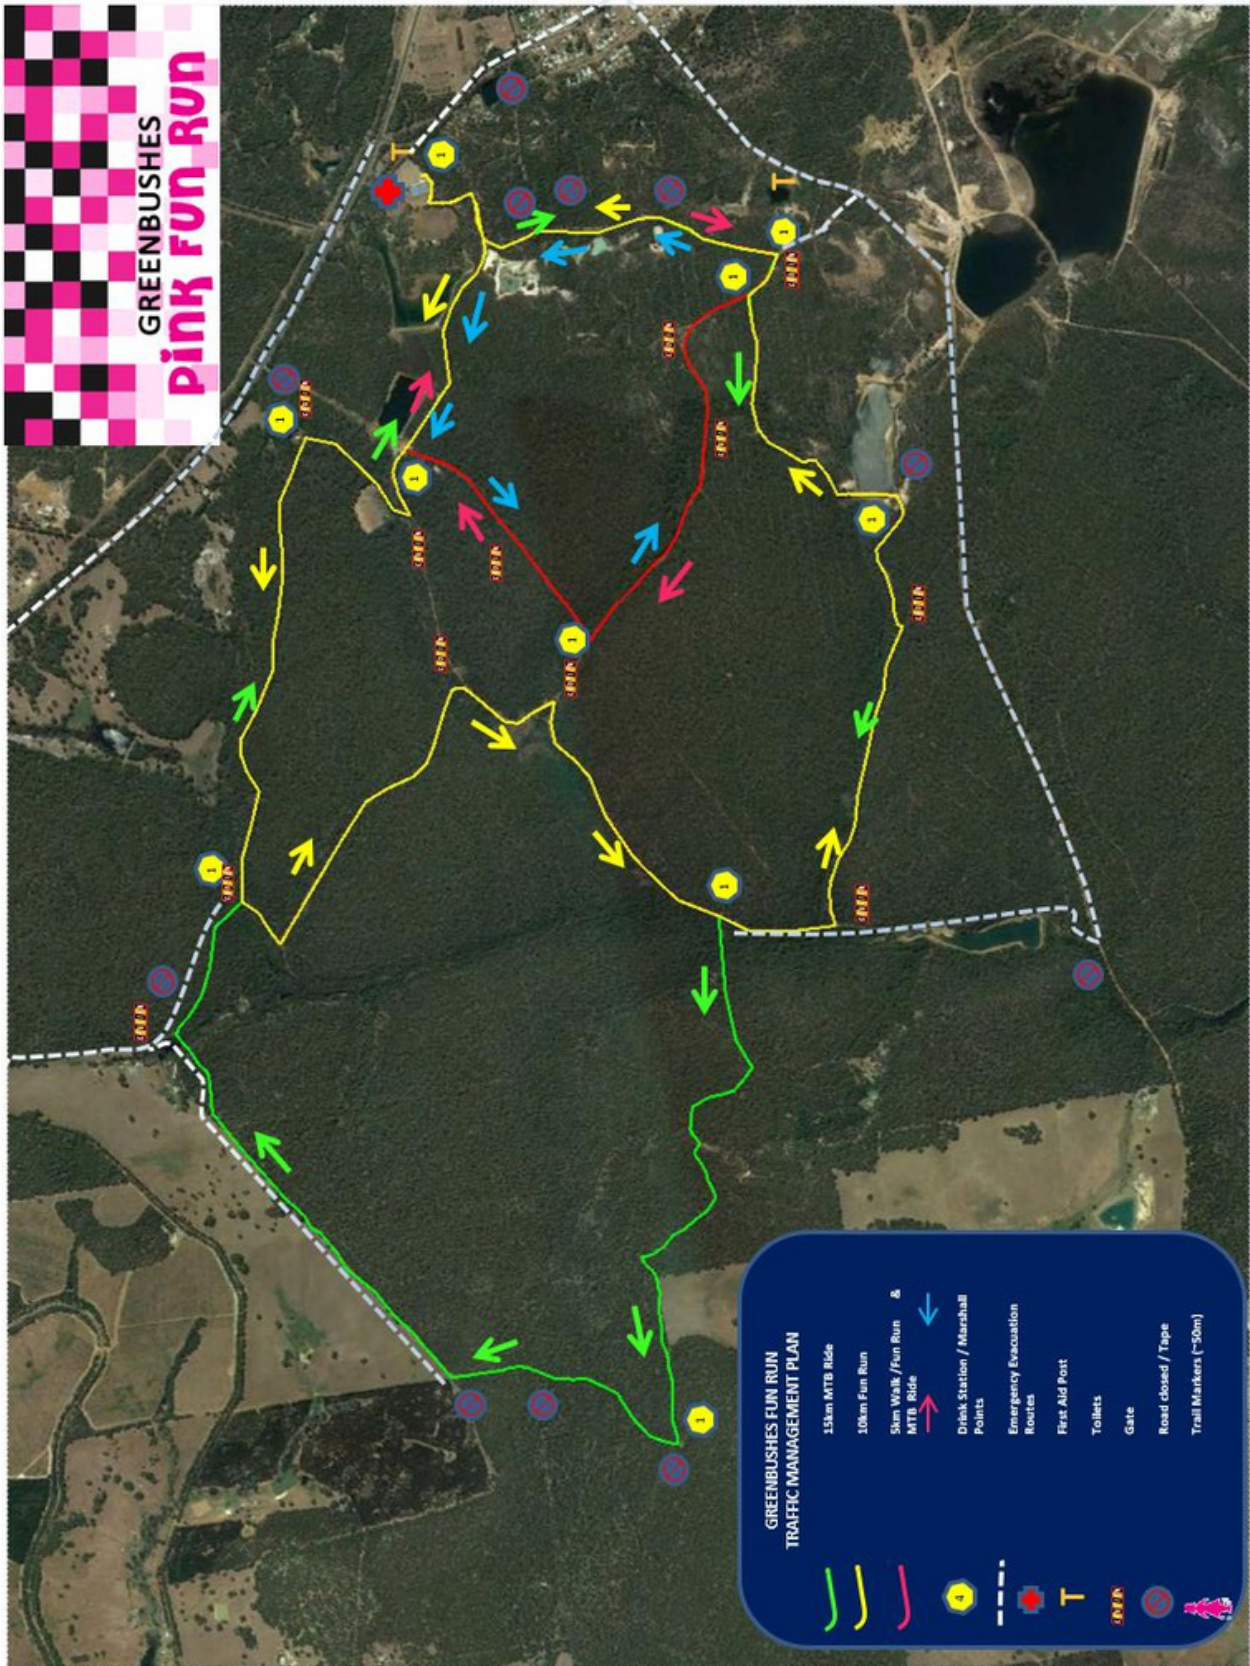

www.greenbushes.net.au

Registration close at 12.00pm Friday 13th May 2022.

Race Rules

1. The Greenbushes Fun Run and MTB event is on forest tracks and gravel roads which are steep in places. All walkers, runners and riders are urged to take care regarding slippery surfaces (loose gravel, clay, mud and leaf litter). The course will be marked and there are several checkpoints on both courses as well as drink stations. There will be a map on display at the event. Maps can also be downloaded from the BlueChip Timing Website Greenbushes Fun Run page.
2. Due to the likelihood of inclement weather in May the Race Controller may decide:
 - a. To delay the start or cancel the event due to a thunder and lightning storm. As this is a fundraising event no monies will be refunded.
 - b. To bring forward the event presentations from the advertised time (not less than one hour after event start time).
3. All competitors registered in the 10km (11.2kms) and 15km MTB event are advised that presentations will not be delayed until all competitors have completed the event if more than one hour since event start time has elapsed.
4. We plan to hold the presentations at 10:30am.
5. If more than one competitor in any category is recorded as having the same time the first person to Register for the event will be deemed to be the winner.
7. A sweeper will be following the end of the field to ensure that if people get into difficulties they can be collected or assisted.
8. Competitors who withdraw during the race are required to notify officials.

The Course

There will be a number of hydration stations on the course. Marshalls will be located at these points to assist.
